

Warwick is an acclaimed UK campus university, internationally renowned for research and teaching excellence, for innovation and for links with business and industry.

8th in the UK (*The Guardian 2021 League Table*) 62nd in the World (*QS World University Rankings 2021*)

40th in the World for Employer Reputation (*QS World University Rankings 2021*)

We're consistently ranked within the world's top universities. Our reputation attracts some of the best students and staff from around the globe into our cosmopolitan campus, located in the heart of England and steeped in history and culture.

Our students are amongst the most sought after by top employers. Employers actively engage with us, and as well as building your subject knowledge, our degree courses develop your key skills in independent and critical thinking, presentation and communication, research, leadership and organisation.

You'll benefit from some of the best academic and social facilities in the country. You'll have access to a variety of flexible, well-equipped study spaces and teaching facilities across campus, including the Oculus, our Main Library and Learning Grids, which encourage collaboration rather than single study, as well as taking advantage of our new £49m Sports and Wellness Hub.

Join an international community that will challenge and support you in equal measure; a place where your drive for knowledge can make a lasting impact on your own future and the world around you. Push the limits of your own energy, imagination and potential.

LEVELS OF STUDY AND HOW TO APPLY

Warwick International Foundation Programme (IFP) is a one year pre-university course designed for students whose academic qualifications do not permit direct entry onto a UK University undergraduate programme.

www.warwick.ac.uk/ifp

www.warwick.ac.uk/ifp/apply

Undergraduate study lasts for 3 or 4 years, graduating with a Bachelor's degree (majority with honours). Students apply via UCAS enabling them to send one application to up to five courses. www.warwick.ac.uk/ug

www.ucas.com

Our **Postgraduate Taught Master's programmes** are typically one year in duration and include specialist modules as well as a significant amount of independent research.

www.warwick.ac.uk/pg/taught

www.warwick.ac.uk/study/postgraduate/apply/taught

Our **Postgraduate Research programmes** include Master's programmes by research, MPhil and PhD programmes. All applicants should submit a research proposal when applying and PhD applicants should have already agreed upon a supervisor before submitting an application to Warwick.

RESEARCH AREAS

As one of the UK's leading research universities, we have a commitment to research that is internationally recognised, with impact and purpose. All of our research is inspired by fundamental questions led by our own intellectual curiosity. Some of our key research themes are as follows:

- Life Sciences and Health
- Data Science and Society
- Mathematics and its Real-World Applications
- The Engineered World: From Molecules to Machines
- Sustainability and Development
- Understanding the Human
- Histories, Creativity and Theory
- Ethics, Rights and Social Justice
- Understanding the Role and Foundation of Organisations and Markets.

A GREAT CAMPUS LOCATION

Our location means that we have the best of both worlds. We have a thriving international community that we want you to be part of. A place where you learn with students from across the globe. With over 27,000 students studying at Warwick, around 35% of our student population is made up of students outside of the UK from 147 countries. The campus borders the cosmopolitan city of Coventry and the beautiful Warwickshire countryside. We also have the second largest city Birmingham, only 20 minutes away by train and London, which is one hour by train.

'The best thing about Warwick is the great range of activities and opportunities that it provides. From attending networking events with the top investment banks, to playing underwater hockey, you can always find something you are passionate about.'

León Valido—Argentina (Warwick IFP)
